

You have heard of Barack Obama's slogan, "Change, yes we can".  
The following is probably more appropriate.

# CHANGE

# YES I DO

*My policy on Iraq, on Pakistan, on Iran, on wire tapping, on my  
pastor and spiritual mentor, on white oppression, on campaign  
financing, on paying parking tickets, on offshore drilling, on an  
undivided Jerusalem*

*... you tell me your opinion, I'll change mine to match it.*

*~~Because I care.~~ Because you vote.*

**Change - we can believe it. OBAMA 2008.**
